

Floyd Lee President

The TLGC Gun Show will be March 3-4. Set-up will be March 1st starting about 4pm at Baxter County Fairgrounds. The gun show accounts for approximately 1/3 of the Club's annual income. As usual, any and all help is appreciated for guard duty, also for set-up and tear-down.

Call Floyd Lee about sign-up times.

With Spring around the corner, watch the pistol range shooting calendar. We have something for everyone. For March, USPSA pistol match will be moved from first Saturday to second Saturday, due to the gun show. Our steel challenge match will be the third Saturday and the defensive pistol match will be the fourth Saturday.

These matches are great fun and great practice. You can always come out and watch a match or two before diving in.
