Spring has sprung! Everyone come out and shoot!

Try a new match or even a different shooting sport.

Jim Brink Rifle

We finally shot a full schedule at the range; rimfire, centerfire, military and big bore; this was for the month of March.

I'm hoping the weather stays good for the month of April. As the weather warms, we will have some specialty matches. In May and June, I would like to shoot a hunter rifle match with 10X as maximum scope power. Another match would be an "ALL" gun match, from .22 RF to the big bore calibers. This would be shot at 50 and 100 yards with different targets. Centerfire, rimfire, military, big bore, whatever you shoot best. We will also have a "BRATS LUNCH" match this year, probably in June or July.

If any rifle shooter has any type of match they would like to see at the TLGC Rifle Range, let me know. I'm sure we can work something out!!

ALL THE BEST, JIM BRINK.

PS, CMP has some Eley standard velocity .22 long rifle 40 grain ammo for sale. It runs about 1090 fps and comes in a case of 5000 rounds only. The price is \$355.00 a case, or about .07 per round. I think CMP pays the S&H chgs..

Tom Kopecky Trap

Up and coming April is going to be a very busy month in the trap division. We will be having a Meat/Fun shoot on Saturday March 31<sup>st</sup> at 1pm everyone is invited, prizes being filet mignons and pork chops plus some smoked hams.

Even the skeet shooter are invited, come on out trap shooters don't bite.

We are starting our spring morning league on April 6<sup>th</sup>, we could use a couple more people to fill out the squads. This is for 6 weeks on Thursday mornings.

Our first ATA shoot is on Sunday April 22<sup>nd</sup>, hoping to draw lots of shooters from Arkansas and Missouri with out \$50 cash prize for High Over All Winner.

Our High School trap team is practicing hard on Tuesday and Thursday evenings.

Had to cut a deal with the Sporting Clay Division before we ran out of targets. Easily throwing over 3000 targets a week.

Come on out and join us, we are still shooting on Sunday. Tuesday and Thursday mornings, going to change the starting times on Tuesday and Thursday to 9am this month. Check on monthly Calendar for time changes.
