

BLACKPOWDER

At the March 6 meeting of the TLGC, we had the honor of meeting Robert (Bob) Vickers, Arkansas Field Representative of the ***National Muzzle Loading Rifle Association*** (NMLRA). Robert lives in Lead Hill and expressed interest in visiting to shoot with us!

Bob informed us of a Membership Drive for the year 2023, in which we can join NMLRA at a discounted rate. He left several applications and his contact info which I have posted below, and also in the Rifle Clubhouse.
