

RIFLE NEWS

Our **TRIGGER HAPPY FUN SHOOT** on Saturday, April 29, was a big success! Despite the threat of uncooperative weather, the day turned nice and we filled all 20 benches. We also had to turn away a few that arrived late and didn't pre-register.

Our president, Floyd Lee, finished with the fastest time on our first target – Billiard Balls! Congratulations, Floyd.

The Ten Pin bowling and Battleship targets were fun, as well. If you missed out, we hope to see you next time.

During the match, Range Manager Mitch Schauwecker was busy at the grill cooking up burgers and they were *GOOD*. Somewhere close to 40 burgers were served while prizes were given away. Big Thanks to Mitch for saving the day, as I had failed to line up a volunteer for that one item of utmost importance.

I would also like to mention our top four sponsors –

Sharp Edges Axe Throwing of Mountain Home donated a certificate for an hour of axe throwing for 2 people.

Vortex Optics sent a huge box of caps, t-shirts and water bottles.

Optics Planet sent a box of cool, misc items.

And **Caldwell** donated a front rest!

Everyone managed to leave with at least one item. Then there was Al J that took home not only the Caldwell rest, but also won the raffle for the Hoppe's cleaning vise. Go Al. Go. Just go. 😊
