

Spring 2023 Skeet Rules

The spring skeet league will start Monday, April 10th at 9:00 a.m. and will run every Monday for 6 weeks.

Anyone who has not shot in previous leagues will be required to shoot 100 targets by April 3rd 2023 to determine handicaps.

Teams will be formed on April 3rd as they have in the past.

This year, there will be no shoot ahead or makeups allowed. If a shooter is absent on league day, they will receive their absent score, according to the formula we have used in the past.

Should a league day be canceled because of inclement weather, that day will not be made up, it will simply be canceled.

The Skeet chairman and squad leaders will determine if a cancellation is warranted. Individual shooters must decide if they want to shoot or not. Any individual who chooses not to shoot on days the league does shoot, will be given their absent score.

A \$20 league fee will be charged, plus the cost of the targets.
